

Unit 1.2: Grouping and Sorting

- **Activities:** Tasks you do and complete.
- **Criteria:** A way in which something is judged.
- **Describe:** To give a detailed account of something.
- **Equal:** When two amounts are the same.
- **Groups:** Objects arranged and put together because they have features in common.
- **Less than:** When an amount is smaller than another amount.
- **More than:** When an amount is bigger than another amount.
- **Sort:** Put things together by features they have in common.
